School Number 840 3087

October 2016

Dear Parent/Carer

### Re: Highlights Rural Craft Event

On Wednesday 12<sup>th</sup> and Thursday 13<sup>th</sup> October 2016, class 3 will be working with an artist in school as part of the Highlights Rural Crafts event. The children will be making crafts involving recycling magazines, newspapers and different kinds of paper. The artist has asked me to ask you if you could send in any of the above which will help with the workshop.

The children's work, along with that of other artists, will be on display in St. Thomas' Church Hall on Friday 14<sup>th</sup> October and the whole school will be visiting the exhibition and taking part in a short workshop.

We would really appreciate it if you could send in some old newspapers, magazines, comics etc which the children can then use to create their artistic project.

Yours sincerely

Mrs D Cross  
Deputy Headteacher
