Dear Parent/Carer

**Re: Walk for Water Event**

Our Social Action Team have chosen to support Water Aid as our International Charity and on Thursday 26<sup>th</sup> April 2018 Water Aid are holding a national fund raising event called 'Walk For Water'.

Our school will be supporting this event and throughout the day children will be carrying a bucket of water as far as they can (minimum of 1 mile) around the school field. The aim of the event is not only to raise money for Water Aid but also to help our children to understand what children, from as young as 5 years old, go through each day just to collect water for their family.

If you would like your child to take part, could they please bring their own bucket to school (labelled with their name) along with a minimum donation of £1 to Water Aid. Children can carry any sized bucket so please ensure that the size of the bucket is appropriate for the size of the child!

Thank you so much for supporting this worthwhile charity.

Yours sincerely
