Dear Parent/Carer

Re: Class 5 Weardale Tub Art Project

I am writing to let you know that Class 5 are taking part in an exciting art project called 'The Weardale Tub'. This project involves artists working in schools across the Dale to create a Weardale Tub (used traditionally in lead mining) whereby the children will make an individual glass brick to build the tub. The Weardale Tub will be on display at Killhope Lead Mining Museum after the Easter holidays.

Workshops will be taking place in our school on Thursday 7th and Friday 8th March 2019 and will culminate in a linked writing project on the Friday afternoon where the children can explore what they have learnt about our local heritage.

We are delighted to be able to invite parents to take part in this project, to work alongside your own child and the artist. The class has been split into three separate groups and there are only a limited number of places in each workshop. Parent places will therefore be allocated on a first come first served basis.

Your child's workshop will be held on Friday 8th March from 9am – 12noon. Please complete and return the slip below if you would like to take part.

Yours sincerely

Mrs D Cross
Deputy Head Teacher

I confirm that I would like to take part in The Weardale Tub art project on Friday 8th March from 9am – 12noon.
