

Dear Parent,

‘kids who read succeed’

Every **Friday** we will hold a library club for our nursery children. Your child will be given a free library bag and a book of their choice. Please enjoy sharing their book with them, looking at the pictures and talking about the story characters, setting and plot. We will change their book every **Friday**.

Research indicates that reading for pleasure is very important for children’s educational success. By supporting your child to read in their leisure time, you can help to ensure that your child is equipped with the necessary skills to succeed in later life.

Thank you

Mrs C. Stidwell
