Dear Parent/Carer

**Re: Choice of School meals**

Please find attached the lunch menu for our return after the Easter holidays. Children will be able to choose from the three daily options available as usual. This will ensure that your child will get the meal of their choice, reduce wastage and ensure food options do not run out for the children who are on a later sitting.

In order to facilitate this, please sit down with your child and discuss and agree their meal options. **It is important the child selects the food of their choice and not the parent choosing for them.** This choice relates to the main course options only. Your child can select their preferred pudding on the day. Please circle or tick your child's selection on the menu form and return it to the school office or class teacher. The choices you make will remain the same until after the October break. You will be sent a new menu to choose from in September 2020 ready for our start back after the October half term holidays.

This form must be returned to school by Monday 16<sup>th</sup> March 2020 so produce can be ordered ready for the school return after the Easter holiday.

Many thanks for your cooperation and support with this system.

Yours sincerely

S Myers  
Headteacher
