

# W/C 11.01.21 Seesaw Highlights.

---

Reception

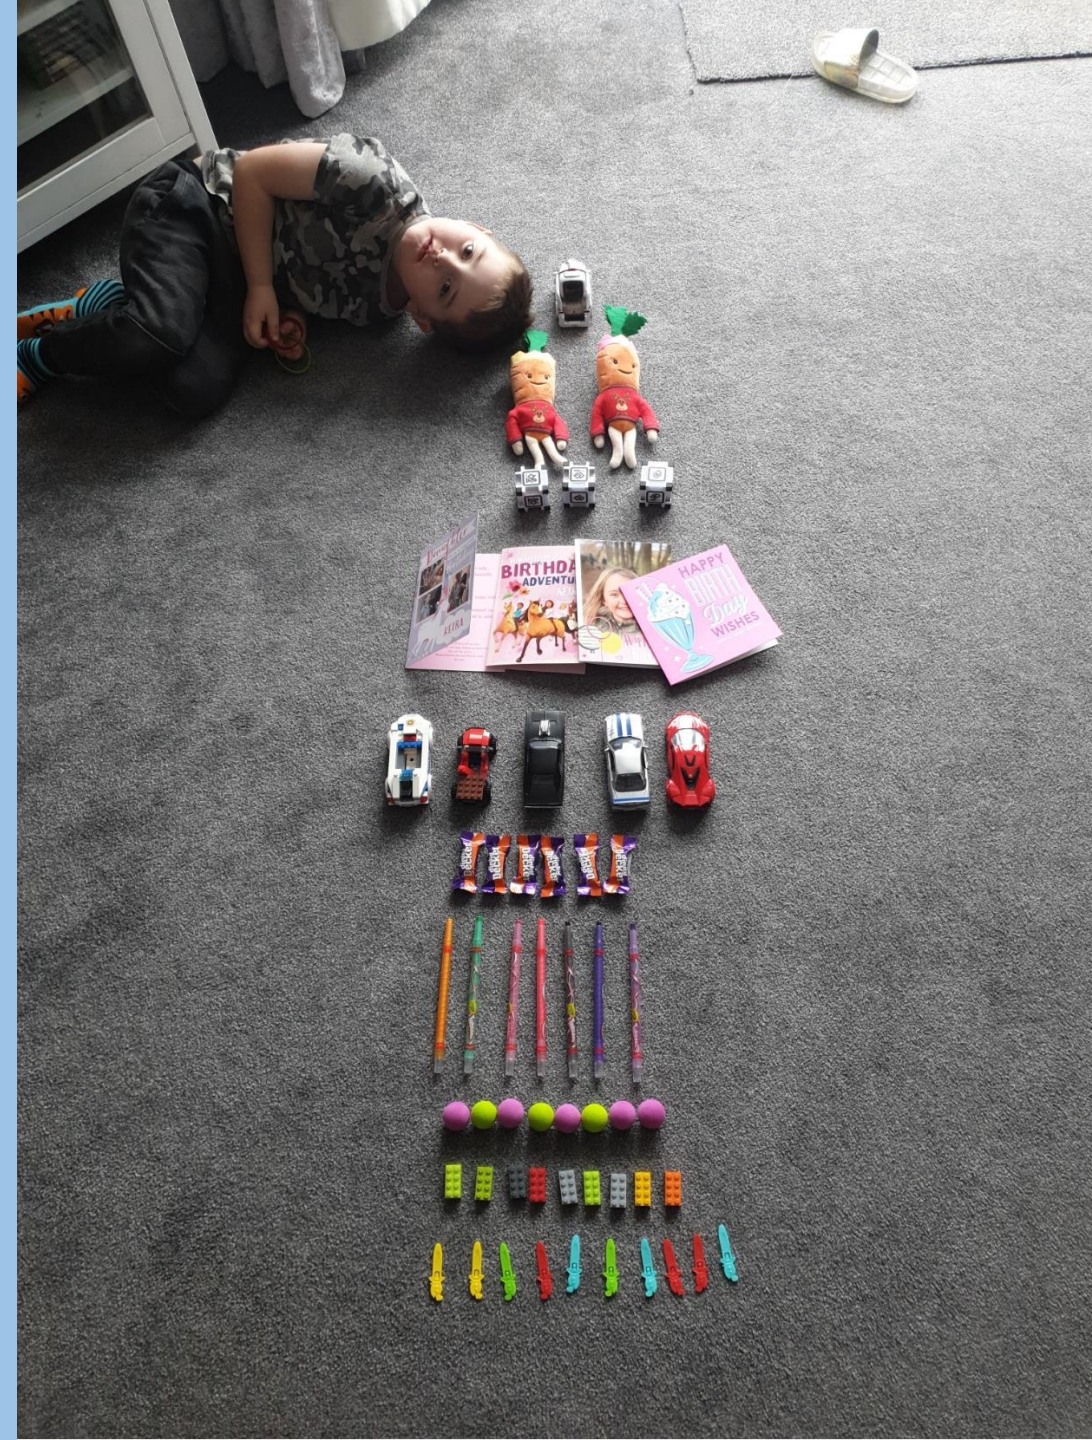

# Phonics

Edward produced some excellent spellings during today's Phonics lesson..

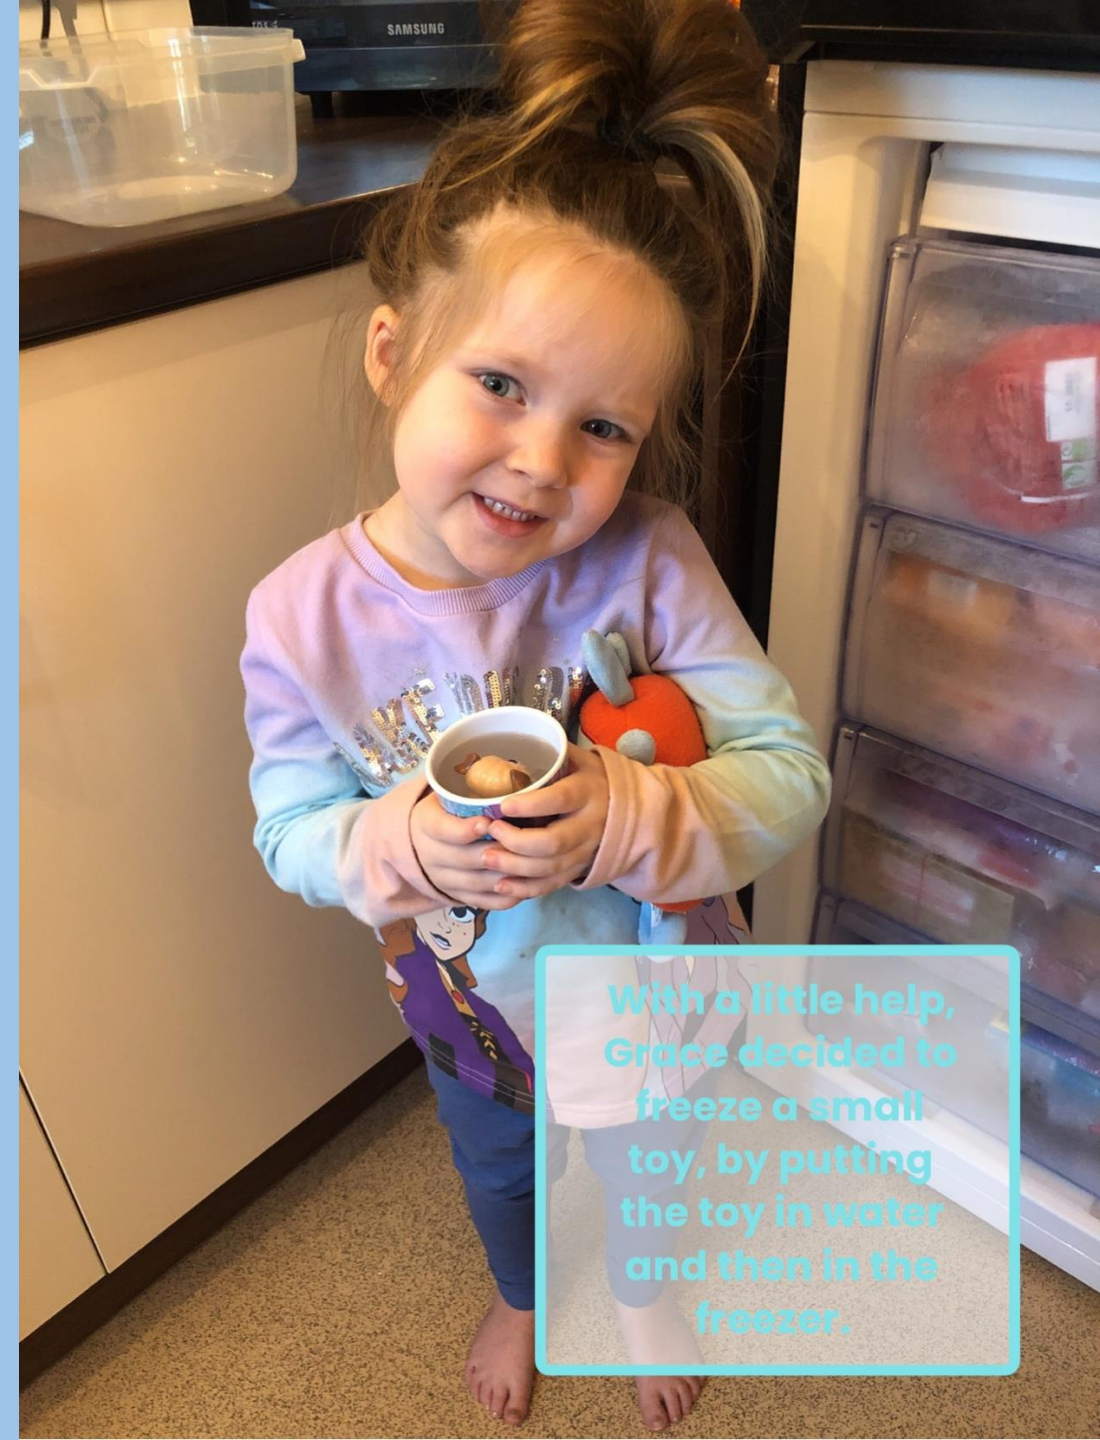

# Number

Denver was able to represent numbers 0 to 10 by counting and finding items around the house. Well done Denver brilliant one-to-one counting skills!

## Topic

Grace carried out her own freezing experiment as she trapped her toy in ice by freezing it in the freezer. Grace then was able to show the process of melting the following day.

With a little help, Grace decided to freeze a small toy, by putting the toy in water and then in the freezer.

# Physical Development

Lana has working on her gross motor skills as she followed our 'Waggle Workout' at home.
