Reception

Phonics

Emily has independently produced a number of spellings and a sentence in one of our Phonics sessions this week.

Excellent letter formation Emily!

Number

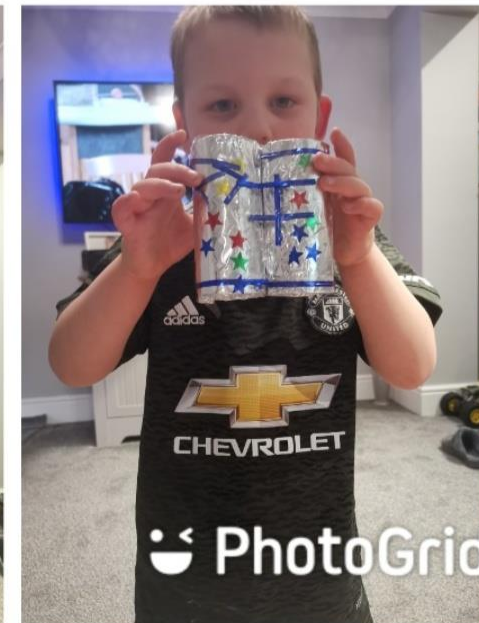

Following on from our representation of numbers 0 – 10, Iliza was able to find things around the house to highlight her brilliant one-to-one counting skills.

Amazing number knowledge Iliza.

Topic

Lewis has been busy crafting this week as he created his own pair of binoculars. Lewis has then used his binoculars to search for animals he can find in his environment.

Well done Lewis.

Physical Development

Jack has been as active as ever during our Physical Development sessions. He was also able to persuade his sister to join in.

Brilliant effort Jack!
