Nursery

Phonics

This week we have had a focus on pencil control. One of our tasks was to draw the characters from our traditional tale focus this week.

Darcy produced a fantastic drawing illustrating her wonderful fine motor skills!

Number

Freddie has been busy ordering items this week. Following on from our traditional ale focus of Goldilocks and the Three Bears, Freddie chose three bowls and was ordering them from largest to smallest.

Brilliant Freddie!

Topic

To coincide with our traditional tale focus, the children were asked to set up a Teddy Bears Picnic independently. Charlie and his brother worked collaboratively to create a great picnic.

Well done boys!

Charlie and his brother created a fruit picnic for 3 teddy bears.

Physical Development

For this week's physical development challenge the children were set a number of activities. They were given a minute to do as many repetitions as possible. Ruby-Bec showed fantastic technique and determination to do as many as possible.
