Re: Homework

I am writing to remind all parents that homework is now being set and marked via Seesaw. Please make sure you and your child are checking Seesaw to see what homework has been set each week.

Last week completed homework in some Learning Zones was as little as 30%. If your child has problems accessing Seesaw we offer a homework club where they can access their work in school time. Learning Zone teachers need to be informed if there is a problem with accessing Seesaw.

Obviously, we have taken a gentle and supportive approach to welcoming all of our children back to school but are still mindful that if children do not complete their allocated homework they could fall further behind making 'catch up' more challenging for them.

Thank you for your help in this matter but if you have any queries or concerns please either speak to your child's teacher or contact myself.

Yours sincerely
