Dear Parent/Carer

25th June 2021

Re: End of Year School Reports

Please find attached your child's end of year school report. I hope you like our new format which we feel is more user friendly and provides more relevant information regarding your child.

This year we have also arranged parent appointments to follow on from receipt of the reports so that you can discuss anything you need to with your child's class teacher.

This year has been extremely challenging as we all know and therefore the information in the reports is slightly different from previous years. Phonics Screening Checks, KS1 SATs and KS2 SATs have not taken place and therefore these have not been referred to in the reports.

In addition, normally you would receive an attendance report but due to the lockdown periods the data is meaningless and therefore we have decided not to send it out this year.

In terms of where your child is in relation to their year group's national expectations, teachers have been asked to give an assessment based on where the child is right now. This means that some children may be 'working towards' whereas previously they have been 'working at'.

As you can imagine, our children returned to school from lockdown in very different places academically and had engaged in remote learning to varying degrees. The only sensible approach is to assess them based on where they are now moving into their next learning zone. This also helps us to plan for any booster or interventions which may be appropriate for your child.

All of our children have been amazing this year, dealing with the challenges thrown at them with great resilience and a positive attitude and I am very proud of every single one of them.

Yours sincerely

Mrs D Cross
Head Teacher
