Dear Parent/Carer

9th September 2021

Re: Homework & Seesaw Codes

I am writing to let you know that there will be no formal homework set this week. Homework will be set starting from next week. This is because the access codes for Seesaw (our remote learning platform where homework is set and completed) expire when not used for over four weeks. Therefore, over the summer break all of the codes have expired and you will need to be issued with a new code to reactivate your child's Seesaw account.

If your child is new to our school and you do not already have a Seesaw account, you will receive a letter with instructions and the access code next week

All parents will be issued with new access codes next week and your child's Seesaw account will need to be reactivated as soon as possible so that they can access their homework from Friday 17th September 2021.

Below are details of when homework will be issued and when it needs to be completed on Seesaw by. In addition, I have included the days on which your child will be having PE lessons. Please ensure that they have a PE kit in school on those days and that the kit is appropriate for sport.

Homework & PE days:

Learning Zone	Homework issued on Seesaw	To be completed by	Days for PE lessons
Diamond	Friday	Wednesday	Monday & Tuesday
Emerald	Friday	Tuesday	Tuesday & Thursday
Ruby	Friday	Wednesday	Wednesday & Friday
Sapphire	Friday	Wednesday	Monday & Thursday
Amethyst	Friday	Monday	PE kits need to be kept in school as PE is flexible
Opal	N/A	N/A	As above

Please note that all homework issued will be to reinforce learning which has taken place during the week. In addition to the formally set homework, it will greatly benefit your child if you could spend time with them reading, practising their phonics and times tables and learning their spelling word lists.

If you have any queries or issues with your child's homework please speak to the Class Teacher initially who can support you and your child with homework.

Yours sincerely

Mrs D Cross
