Dear Parent/Carer

21<sup>st</sup> January 2022

**Re: Completion of work on Seesaw**

If your child is absent with a positive Covid test result and is unwell, we do not expect them to complete school work on Seesaw until they are well enough to do so.

If your child is absent with a positive Covid test result and are not unwell, we do expect their school work to be completed on Seesaw.

If your child is isolating at home as a result of our Outbreak Management Plan but does not have a positive Covid test result then we do expect them to complete their work on Seesaw.

If you are choosing to isolate your child due to a positive Covid test result in the household, we do expect them to complete the tasks set on Seesaw.

Children should be taking a lateral flow test on day 5 and the morning of day 6 and if both are negative they should return to school on day 6 (unless the Learning Zone is closed as part of the Outbreak Management Plan). You must inform the school office that your child has had two negative tests or ring the office to inform that your child will not be returning to school due to continued positive test results. If we do not hear from you on day 6 of isolation, you may be contacted by the school office.

We are required to report information and data to the DfE on a daily basis and therefore it is really important for you to keep the school office informed of test results.

Yours sincerely

*Mrs D Cross*  
Mrs D Cross  
Head Teacher
