Re: Ultimate Frisbee After School Club

Unfortunately, the Ultimate Frisbee Club has not proven to be popular with only two children signing up for it. This means that the school has made a loss on this club for the last two weeks as we have to pay the sports coach who delivers it. Obviously, this is not sustainable for the rest of the half term and therefore I have taken the decision to change the club.

Therefore, with effect from Tuesday 27th September 2022 we will no longer be offering Ultimate Frisbee and instead will be offering a Multi-Sports Club. This club will change each week and will include sports such as rugby, ball skills, tri-golf, archery, fitness and there are lots more options. I have asked the sports coach to ask the children who attend what they would like to do the following week so that it is child-interest led.

If your child would like to attend the Multi-Sports Club on a Tuesday after school for the rest of this half term please telephone the school office to book a place.

Yours sincerely
