Dear Parent/Carer

20th March 2023

Re: Choice of School meals

Please find attached the lunch menu for our return after the Easter Holidays. Children will be able to choose from the daily options available as usual. This will ensure that your child will get the meal of their choice, reduce wastage and ensure food options do not run out for the children who are on a later sitting.

In order to facilitate this, please sit down with your child and discuss and agree their meal options. **It is important your child selects the food of their choice and not the parent choosing for them.** This choice relates to the main course options only. Your child can select their preferred pudding on the day. Please circle or tick your child's selection on the menu form and return via the collection box at the main gate. The choices you make will remain the same until after the October half term break.

This form must be returned to school by Wednesday 29th March 2023 so produce can be ordered ready for the school return after the Easter holiday.

Please note that from Monday 17th April 2023, the cost of a school meal will increase to £2.41 per meal. If you pay weekly the cost will be £12.05 per week and if you pay half termly the cost will be £67.48. As usual, all payments should be made via Parent Pay.

Many thanks for your cooperation and support.

Yours sincerely

Mrs D Cross
