Dear Parent/Carer

9th May 2023

Re: Wrap Around Care Provision

I am writing with some fantastic news! We have managed to secure grant funding from various sources in order to enable our Wraparound Care Provision to continue until the end of March 2024.

We have been awarded a significant grant from the Weardale Area Action Partnership; a generous grant from Believe Housing; a brilliant donation from the Weardale Foodbank and huge support in the form of vouchers and grant funding from Lakes & Dales Co-op.

The current financial position is that our Wrap Around Care Provision is currently £185.72 in deficit (e.g. making a loss) as at the end of Spring Term 2.

Without the amazing support we have received from the above funders, we would not be in a position to continue to offer this vital service and we are all extremely grateful for their support.

The aim of using the grant funding is to allow us to improve our provision and increase attendance so that the service becomes financially sustainable from 1st April 2024 and will be in a position to continue going forward.

Better for everyone

This is a hugely positive outcome as our provision of Breakfast Club and After School Childcare and Clubs allows working families to continue to work; greater flexibility with their working hours and also ensures that our children all have the opportunity to attend a wide range of different clubs. Without this funding we would be having to offer a very limited service which may not be sustainable at all in the future. I hope you therefore join me in offering our thanks to the four groups who have worked together to make this project possible and to thank them for their continued support for our children, school, families and our community.

If you have any queries or concerns regarding Wrap Around Care, please do not hesitate to contact me.

Yours sincerely

Mrs D Cross
