Dear Parent/Carer

8<sup>th</sup> June 2023

**Re: In-School Transition Day**

I am writing to let you know that our in-school transition day will be on **Wednesday 12<sup>th</sup> July 2023**.

This is a day when the children will spend the whole day with their Class Teacher and in the Learning Zone to which they have been allocated for September 2023. The Class Teachers plan lots of fun transitional activities which help the children to begin the new academic year in a smoother and less stressful way because they will be familiar with their classroom, their teacher and peers before starting in September.

Some children require individualised transition plans and this is discussed confidentially between Class Teachers and parents. We have some children who have already started complex and comprehensive transition plans to meet their individual needs. If this relates to your child, then this in-school transition day will be in addition to their individual plan.

With some staff changes in September, this is a good opportunity for children to spend time with their new teacher. You will be informed of which Learning Zone your child has been allocated to on Friday 23<sup>rd</sup> June.

Yours sincerely

*Mrs D Cross*
