Please note that people may appear in different Teaching Teams because all of our support staff working flexibly across a number of different Learning Zones working different hours in each one.

In addition, our support staff deliver 'catch up' interventions, SEND interventions, 1:1 activities, Thrive (emotional well-being support) and a huge range of activities throughout the school and therefore are not working in Learning zones all of the time.

If you have any queries or concerns please do not hesitate to contact me.

Yours sincerely
