Re: Exciting new outdoor play equipment

We are very excited to be able to confirm that we are in the process of installing a fantastic new piece of outdoor play equipment on the main field.

Using our Sports Premium Grant, we have purchased a brilliant outdoor gym which provides a number of different 'stations' which children can access during playtime and lunchtime.

It has been three years since our outdoor activity trail was condemned and I am delighted that the children will now have something amazing to access when outdoors. This development is part of our Power Play Project which is a three year plan to improve and develop the outdoor area.

In Year One of the plan, we received a donation from William Cook's in Stanhope to implement a new Mud Kitchen Zone and also a Scooter Zone both of which are really popular with the children.

We begin Year Two of the plan with this fantastic piece of equipment! However tempting it is, please note that it is only designed for use by children!!

Yours sincerely

Mrs D Cross
