Re: Feedback on Chartwell's School Dinner Service

Chartwell's are currently in their third year of the contract to provide school meals across County Durham and have requested feedback from schools, parents/carers and children.

As such, could you please take a couple of minutes to complete the questionnaire online using the link below:

Our children's voices are important and if you would like to complete the children's survey with your child at home that would be great. Please use the link below:

Yours sincerely
