

Positive Behavioural Support Workshops for family carers

We will be running a series of workshops on Positive Behavioural Support (PBS).

PBS is recommended as the best way of supporting people with behaviour that challenges. The course has been co-developed by parents and PBS trainers.

These workshops are for parents/carers of children with a learning disability and/or children with a diagnosis of autism or on the neurodevelopmental pathway aged 4-18 years.

To book a place contact: The Complex Needs Key Worker Team 01642 531248 (Option 0)

Email: keyworking@daisychainproject.co.uk

A member of the team will contact you to confirm your place on the workshop.

Each session will run from 10:00am to 12:30pm including the opportunity for questions.

It is important to attend all three sessions in order to complete the course
